

Charred Bars

Full text from the existing archival transcription. Original uncertainty flags retained; line wrapping and typography reflowed. The separate Image PDF contains all source-view pages from the earlier combined edition. This does not expand an excerpt into a complete issue or volume.

CHARRED BARS - Prison Guard C.B. Martin secures broken water spout inside of barred cage. The charred bars serve as stern evidence to the flash fire which witnesses say was set by three of the prisoners. (UPI Telephoto)
